

The Fundamentals of Chess

Classes will begin with basic fundamentals such as setup, how pieces move, openings, strategies, and “check mate” positions. Students will play on regulation tournament size chessboards and will be challenged with quizzes and interactive games to improve their knowledge of the game. Studies have shown that kids taking part in a chess program develop valuable skills including critical thinking, logic, reasoning, memory, concentration, visualization, confidence, patience, determination, and good sportsmanship. Instruction will be given in a fun atmosphere and each session will include actual playing time with fellow students.

Instructor: Cameron Trotter

Dates: April 3 – June 5

Days: Fridays (**no class 4/17 & 4/24**)

Time: 3:30 – 5:00 pm

Ages: 8 - 12

Location: MLS ranger room

Fee: \$55/\$65 NR

Course #: 94-221
