TRAVEL SOCCER

Freeport United Soccer Club

Freeport United Soccer Club provides area children the opportunity to play competitive youth soccer in a league with similar clubs in the Casco Bay and Mid-Coast regions. Freeport United's goal is to support the development of skillful and intelligent soccer players, to foster joy in playing soccer, and to encourage players to perform to the best of their abilities.

Currently, Freeport United fields teams for boys and girls from Under-10 to Under-14 age groups. Players participate on the age-appropriate team based on the U.S. Youth Soccer age standards (age as of August 1st, 2009). Practices begin in August, and games are on weekends from late August to late October. Some teams also play in the Soccer Maine spring league.

Sign-ups and evaluations for **new and returning** players for all Freeport United teams are on Wednesday May 13 and Thursday May 14 at the Pownal Road Recreation Complex from 6:00 to 7:30 pm. Players should wear soccer shorts, socks, and shin pads and bring a soccer ball and water. Teams are typically not selective. However, the Director of Coaching and team coaches will take a flexible approach if an age group has too many interested players for one team but not enough to form two teams. Options include, but are not limited to, player evaluations, developmental squads, shifting players to a higher age level, player rotations, and other methods. Freeport United will strive to create the best soccer experience possible for interested players.
