

Script to Screen Workshop

Spend a week learning how to get started in the world of professional acting & filmmaking. Learn professional techniques in front of and behind the camera. Get everything you need to start working in film, TV, theater or voice-over. Learn how to shoot a scene, act, direct, and edit. All participants will leave this course with the knowledge about the world of professional Film/TV/Stage. **Students should bring snacks, bag lunch, and water.**
