

### 7th & 8th Grade League:

The boys' program will run early November until late December with the 7th & 8th grade girls playing mid-January to early March. In addition to using the gyms here in Freeport, we will also be utilizing gyms in other communities for the 7th & 8th grade program. **Please note that any 7th & 8th grade team applying for entrance in this league must also supply available dates for play in your facility. These times blocks need to be a minimum of 7 hours. Only applications with proposed, and confirmed, dates and times in your facility will be accepted. If you need more information concerning this issue please call for clarification.**

**There is no longer a league meeting scheduled for this program. All information will be handled through the mail. Please note that it is expected that proposed coaches be listed on all applications! Lastly, for those teams that might be traveling a greater distance to play, doubleheaders may be scheduled to lessen the over-all travel for those teams.**

The entry fee for all divisions this year will be \$500. Full payment will be due by November 1st, 2008 (7th & 8th grade girl's payment will not be required until December).
